I AM YOUR MASCOT!
YOU ARE MY MEMBERS!
MY NAME?
BONYARD DOGBAIT!
(BUT YOU CAN CALL ME BONEY)

**FROM THE OFFICE OF GREEN SKULL
TREASURER,
THE SKULL CLUB**

October 23, 2008

Instructions for a Skull Club Self Initiation:

1) Read the Secret Book.

2) Create your Secret Name.

3) Place your right hand on the Secret Book, raise your left hand into the air and recite the oath:

I promise

As a skull member

Never to desert the club

And to be a loyal member

Of the Skull Club.

The Skull Club recognizes anyone who performs the above 3 steps as a member. Tradition then has it to spin the Skull Club theme song (Dry Bones) immediately after initiation and dance ecstatically.

In addition to the above steps it would also be fun to dress up the event and throw a party. Make the initiation ritual the climax. Tradition has it that people wear skull masks and don costumes. Gather props, recite poetry, create images, take pictures, shoot movies, record the whole thing with audio. Send us copies of everything so we can incorporate the media into our Skull Club database.

Please be sure to initiate only those you trust into the Skull Club. Keep the Secret Book a secret to nonmembers. Other than that, the more the merrier!

Also please be sure to send us the real names, Secret Names, plus contact info for each new member so we can incorporate them into the Skull Club database and keep track of them.

This Halloween sees the Skull Club welcoming new members from coast to coast! Congratulations on creating your local grotto.

HAVE FUN!
