

THE MEANING OF CYBERNALIA by Bohacz 04/03/04

Revised 07/27/11

We see humanity as the creature that uses technology the most on this planet; the CYBORG. At the dawn of humankind, technology discovered us as the animal of choice for its local evolution. Through the ages technology has used our meat as its incubator and evolved a symbiotic relationship with us. It feeds us, we feed it. It grows us, we grow it.

At this stage of our evolution many among us misunderstand our relationship to technology and insist that most of our society's ills come from technology. We recognize as true that we must bring technology into balance with nature, but these Luddites do not see that without technology we would literally not exist. If technology had not chosen our animal ancestors as its own we would still operate merely as predator food and die when our planet's star swells to engulf it in flame. Because technology has chosen us we have the opportunity to defuse the future destruct scenario and make the leap into the vast life creating ocean of outer space. This future promise gives us hope and we look forward to the era of the coming COSMIC CYBORG among the EINSTEINIAN RELATIVES.

The CYBORG in us sustains us. We normally think of technology as an IT, an other, an alien, while in reality the very language we use to think these thoughts comes from the CYBORG. When one comes to see language as a technology, we can begin to get in touch with our inner robot. We can identify ourselves with technology and learn to use it properly to survive and prosper. RISE, ROBOTS, RISE. Come home to your true self, CYBORG.

The CYBORG recognizes the need for recycling. CYBERNALIA give the CHAOS animal an annual release and directs those destructive energies into the constructive CYBORG recycling channels. When we can frame ourselves as CYBORG, the meaning of CYBERNALIA becomes clear: YOU MUST DESTROY YOUR OLD SELVES TO EVOLVE WITH THE CYBORG. CHAOS WILL SUSTAIN THE CYBORG, THE CYBORG SHALL SUSTAIN CHAOS. AS YOU DESTROY THE CYBORG SO SHALL THE CYBORG DESTROY YOU. REMEMBER THIS FOR THE TIME OR YOU OWN RECYCLING.
